Objektbeschreibung

Welcome to the Waterfront District at Sobha Hartland Waves at the Waterfront District, is a crisp clean architecture that stands tall in front of the 1.8 km boardwalk that Sobha Hartland enjoys on its waterfront side. The façade is a simple play of horizontal and vertical forms that give uninterrupted 360-degree views to the tower, that will enjoy the sunrises and sunsets of every beautiful day. The two acute corners lead the eye to a light-weight floating roof giving it a sense of breeziness and lightness. Waves will be the first tower in the Waterfront District of Sobha Hartland. 1 BEDROOM APARTMENT TYPE A (with balcony) Suite: 43.21 SQ.M. Balcony: = 3.98 SQ.M.
